Volunteer Application

This application is the volunteer enrollment form to give us a way to contact you and find the most suitable position that we hope you can enjoy as well as assist greatly with. We are currently looking for volunteers that would be willing to help out at our office. The needs in the office consist of answering phones, manning the front-desk, assisting with office paperwork/bookkeeping, and assisting with general administration. Our main type of volunteering is to help us run booths at our events. During these events, we may be outside for long periods of time. If you require seating, you may be required to supply your own chair at the events. If you are still interested in applying, please apply now!
